

# Hampshire Adult Training Multi-Module Days 2020

## Guidance Notes

If you want to do as many modules as you can over both weekends then book on routes A1+A2+A3+A4 or B1+B2+B3+B4.

### **Modules 8 & 9**

Modules 8 and 9 are blended so both parts must be booked at the same time, if not using routes.

### **Module 10 (First Aid)**

First Aid will be blended learning ie; online e-learning prior to the day, followed by a face to face practical session on the day.

E-learning details will be sent to you with the confirmation of your booking.

**Module 12A** is a shortened version due to time constraints, if possible please complete the [E-Learning](#) for this module before attending.

The [E-Learning](#) will also be available on the weekend.

### **Module 18**

Practical Skills, will also require you to instruct one other course member in a practical skill. This should take around 30 minutes to instruct and you will need to bring any materials you need with you.

It can be any skill you want from crochet to car repair, it can be Scouting based but need not be. Try to think of a skill someone else will enjoy learning.

### **Module 19**

Please bring along an international object that means something to you and be prepared to talk about it for minute with the rest of the group.

This could be anything; from a souvenir from a holiday abroad, to an item connected with family or friends living in another country, to a picture of a place you've always dreamed of visiting.
